## SWORE TO KILL HIS FAMILY

William Nelson, an ex-lineman employed by the Rapid Transit Company, was arrested this morning on a warrant sworn to by his wife, the charge being threatening language. Ever since Nelson lost his position with the railroad company he has been in a state of mind that has caused his wife and family to fear for their lives.

Several times lately Nelson has threatened to kill his whole family, and his wife fearing that he would keep his threat, went down this morning and swore out a warrant for his arrest. Last night Nelson appeared at home in an intoxicated condition and swore that he would kill every one in sight. A police officer was sent for but when he arrived Nelson had gone. This morning he was found in the vicinity of his home and promptly put under arrest. He will answer in court tomorrow morning.
